Policy Document For Disabled Friendly Environment (Session- 2020-2021)

The right to education focuses on the need to have inclusive education, which means that educating the students with learning difficulties and identified disabilities have the right of fulfillment of their educational needs. The government of India formulated the national policy for person with disabilities in Feb 2006 which deals with educational rehabilitation of person with disability. Therefore in view of this we implemented these policies in the teaching and learning process. The AMMB Recognize the person with disabilities and valuable human resource for the institution and seeks to create an environment that provides equal opportunities, protection of their right and full participation in academic environment.

Objectives

1. To ensure that students with disabilities must get equal opportunities to explore their educational potential.
2. To provide the motivating environment to student with learning disabilities to accommodate their pedagogic needs.
3. To eradicate any kind of stigmatization and segregation so that they become confident individuals.
4. To provide accessible and inclusive education at the institute.
5. To ensure the awareness programmes for all the teaching and non teaching staff regarding the issue of accessibility.

Accessibility and access for person with disabilities

1. Priority in admission
2. Ramps
3. Disabled friendly washroom.
4. Easy access to laboratories at ground floor.
5. Signage display.
6. Human assistance for reading and movement in the campus.
7. First aid facilities.
8. Provision of guidance and counselling to differently abled individuals.
