REPORT

Skill development is necessary part of Education. So our college had organised Skill Development program name "Beauty and Wellness" under IQAC Cell. This one month course is completed by the students. Students become perfect in skill of beauty like face makeup, hairstyle, pedicure, manicure, wax and many more things during this course. After successfully completion of the course the students are awarded by the certificate from the principal of the college Mrs Rachna Arora. This course is successfully completed under the guidance of IQAC coordinator Mrs. Neelam Gupta and with the help of Skill development course convener Mrs Mamta Wadhwa and Dr. Deepu Saini.

Outcomes

Learning outcomes are statements of the knowledge, skills and abilities individual students should possess and can demonstrate upon completion of a learning experience or sequence of learning experiences. Students will become expert in particular skill and they will enable to run specific profession.

Future Plan

To achieve and to target the higher and better pay package placements for students in core and allied industries/companies. To prepare the students to plan their career in the directions of entrepreneurship, career advancement, and higher skill employability.

We will planned to run many more courses to develop different skills in the students.
