Parade 2020 and
Salutation Ceremony to the
Honourable President.

ABOUT US

Adarsh Mahila Mahavidyalaya was established in year 1970 by eminent social reformers & educationists of Bhiwani under the able leadership & guidance of Shri Banarsi Dass Gupta, Ex. C.M. Haryana & Member of Rajya Sabha and Shri Bhagirathmal Buwaniwala, Social Activist who were determined to create awakening among the masses regarding the importance of women education. Way back in 1970, there was no Institution in or around Bhiwani which imparted higher education exclusively to Women. This institution proved to be a boon in women liberation. This small sapling planted with great dedication & devotion grew rapidly & accepted the challenge of developing this to its highest stature in the history of Haryana.

AMMB is an institution imparting real & quality education to girls who are emerging with their own identity in this challenging world. This college was adjudged the best college by the Govt. of Haryana for its achievements in academics, sports & cultural activities.

This institution is now imparting education to more than 2500 students every year showing its mark on educational map of the State. There are four streams running U.G. Courses in the college Arts, Science, Commerce and BCA.

P.G. Courses in Maths, English, Economics, Physics, Chemistry Under Self Financing Scheme have also been started. Now these courses are popular amongst the students & have also flourished successfully.

Haryana is now emerging as a hub of Education and AMMB has contributed immensely to it. AMMB is synonymous with high quality education and epitomizes the strength of character and dignity.

MESSAGE FROM PRINCIPAL

.....
Dr. Alka Mittal
Principal
.....

Education is the best gift that parents can give to their wards. It not only develops their potential but also helps them find their own identity. Education is also the passport to enable one to be financially independent and contribute to the growth of the economy of the country. This gift assumes greater importance in the lives of girls. When this gift comes from an institution known for its quality education, focus on the upliftment of women and providing platform for an all-round development of the students, it becomes more valuable. This is the reason that college founders like Shri Banarsi Das Gupta, ex-CM of Haryana , Social Activist, Shri Bhagirath, Mal Buaniwala, Philanthropist Shri KP Gupta and the like thought of providing hostel facilities too.

AMMB presently has a hostel that can be home to more than 200 girls. The environment of our hostel ensures that girls are nourished and nurtured well physically, mentally and emotionally. Living in the hostel revives the Gurukul tradition of our country. The students living in remote areas should fully avail these facilities, and give themselves an opportunity to grow in a congenial and conducive atmosphere.
