

One Day Workshop on IPR and Innovation

IPR Cell organised a One Day Workshop on “IPR and Innovation” on 06 November 2023 under the guidance of Dr Alka Mittal, Principal, AMMB. The workshop aimed to educate participants about the significance of IPR in Fostering innovation and protecting intellectual assets. Led by Dr Mohini, the session covered the fundamentals of IPR, role of IPR in fostering innovation. The workshop successfully highlighted the critical role of IPR in driving innovation and provided valuable insights into managing intellectual property effectively. Total 42 students attended the workshop.
